

Goulburn Valley Primary Care Partnership

Gamblers Help Services

2009-2010 Plan

Goulburn Valley Primary Care Partnership (GVPCP)

2009-10 Gambler Help Support Plan

Partner Agency: Goulburn Valley Community Health Services (GVCHS)

Overview:

From discussion with our partner agency it is imperative that the GVPCP looks to build on the initial work that was conducted in 08-09. As GVCHS have made the strategic decision to focus on the indigenous community as well as Youth in our community it is an effective fit into the strategic direction that the GVPCP is taking in light of its forthcoming strategic plan.

Objectives:

Ongoing support of GVCHS Gambler Help (GH) services through:

- a. Improving inter agency referral protocols
- b. Assist current and potential referral partners with the use of SCTT 09 and referral pathways as developed through the Victorian Service Coordination Practise Manual
- c. Lifting the profile of GH program and lifting the awareness of referral partners both current and potential for higher awareness of the project and improved assessment of consumers
- d. Maintenance and development of the GVPCP website for GH support
- e. Support the evaluation of HP interventions
- f. Support the awareness of GH Services and their impact on the community
